## ISSUE 20 Friday 5<sup>th</sup> February

Dear Parents and visitors to our website,

This week has been quite devastating in terms of illness to teaching staff, with some days the school missing a third of those available. On top of my own A level Business and History, GCSE English I have also had the pleasure to step in for Year 4 literacy and Year EAL, I would like to thank all members of staff who have covered their colleagues classes during this difficult time.

This week we celebrated Fat Thursday, Shrove Tuesday (on a Friday), and Carnival all in one go. I'd like to thank the PTA for organizing pancakes and members of staff who planned Carnival Day.

Did you know that Poles ate some 100 million doughnuts on Thursday to celebrate Fat Thursday, which is traditionally observed in the last week of 'carnival' before Lent. This translates into more than three doughnuts, about 1,200 calories, per average Pole. One doughnut weighs around 70 grammes and consists solely of fats and carbohydrates, hence 'Fat Thursday'.

The tradition of eating doughnuts on Fat Thursday in Poland goes back to the 17th century. The day can be described as Poland's answer to Shrove Tuesday (also known as Pancake Day), which precedes Ash Wednesday, in many English speaking countries. In addition to jam-filled doughnuts, known as pączki, thin strips of crispy pastry dough, known as faworki, are consumed today in large quantities. Among bakers and confectioners, Fat Thursday is regarded as one of the busiest days of the year, with many cake shops open from the early hours of the morning after a marathon night of frying doughnuts.

A cautionary tale against such indulgences is.....A greedy mouse saw a basket full of corn. He wanted to eat it. So he made a small hole in the basket. He squeezed in through the hole. He ate a lot of corn. He felt full. He was very happy. Now he wanted to come out. He tried to come out through the small hole. He could not. His belly was full. He tried again.

But it was of no use. The mouse started crying. A rabbit was passing by. It heard the mouse's cry and asked: "Why are you crying my friend?" The mouse explained: "I made a small hole and came into the basket. Now I am not able to get out through that hole." The rabbit said: "It is because you ate too much. Wait until your belly shrinks". The rabbit laughed and went away.

The mouse fell asleep in the basket. Next morning his belly had shrunk. But the mouse wanted to eat some corn. So he ate and ate. His belly was full once again. He thought: "Oh! Now I will go out tomorrow". The cat was the next passer-by. He smelt the mouse in the basket. He lifted its lid. He ate the mouse.

Have a great weekend,

Best regards,  
Wayne Billington

**Hye Seung Lee** - hyeseung.lee@bisc.wroclaw.pl

2. School doctor is available for Parents and Staff on Thursdays from 10.00a.m. till 12.05p.m. (G8 room, big villa)

3. We would like to remind all parents that they should label their children's BISC uniforms, as sometimes the clothing items are left behind in the playground. A name label makes the identification process much faster and easier : )

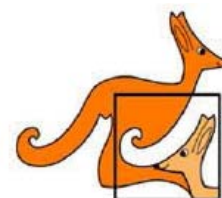

4. As you know we are very happy for parents and children to remain on the school grounds at the end of school and enjoy the facilities. However we must reiterate that after you have collected your children at 3.25pm **you must supervise them carefully on the school premises and play equipment.** We would ask parents of children using the slide and

climbing frame to please stay near the children beside the equipment to ensure that they are fully supervised and can play safely. Also, please remind your children that they should not play inside the school after 4:00 pm. Of course children are allowed to use toilets on the ground floor if they need to. We are sure that all parents understand how important it is to keep the children safe. Thank you for your support.

5. The Maths Kangaroo test will take place on **Thursday, the 17<sup>th</sup> of March, at 9am.** The contest lasts 1h 15 minutes and has a form of a test with multiple-choice questions. It is aimed for students from **Year 4 up.**

## News from Head of Primary

This week the Primary school struggled through fever and sneezes. It seems there is a particularly unpleasant virus going round and taking its toll. If your child complains of stomach ache, muscle ache and is generally weak we advise to keep them at home until they get reasonably better.

Our Foundation students enjoyed their newly purchased gigantic blocks and turned out to be great enthusiasts of construction!

The changeable weather did not prevent Year 3 Otters and Foxes from embarking on their long-awaited field trip to the glass works in Tomaszów Mazowiecki, which they visited on Thursday.

The Friday saw...no assembly at all since we were all dressed up in our carnival costumes and we super busy with our Carnival activities. Many thanks to Ms. Aysha, Ms. Kasia, Ms. Iza and Ms. Nancy for organising that all!

Assembly or not, the Stars of the Week deserve their moment of glory:

Foundation Bees – Zaffea  
Foundation Turtles – Luke  
Year 1 Rabbits – Ida  
Year 2 Butterflies – Charlie  
Year 3 Otters – Dong Yeong  
Year 3 Foxes – Yuji  
Year 4 Shoebills – Seoin  
Year 5 Kangaroos – Julia  
Year 5 Ravens – Sri  
Year 6 Jaguars – Min and Alicia

Congratulations to all the hard working Stars!

Wishing you a healthy weekend,

Anna Witańska  
Head of Primary

## News from Head of Secondary

The cold weather that we have had seems to have left us for a while and replaced with milder temperatures that encouraged students to be more active outside. Quite a few exciting football matches have been played on the pitch this week, but the dusting of snow on it Friday morning reminds us that winter

weather is still with us.

Students enjoyed many fun activities this week in their classes. So I would like to share comments from two Year 9 teachers that gave some insight on what the week was like for them.

Year 9 students were working on compass constructions this week in Maths. When the first obstacle (of actually having a compass) was over, they started to bisect lines and angles. Then students began to construct triangles and circle patterns to discover properties of circles. They were also studying about maps and angle bearings and were playing a bit of 'blind man's bluff'. This activity had the students seeking each other by using angle bearings to aid in the search.

Year 9 students are also investigating the topic of perspective in Art. In previous lessons, they learned about three types of linear perspective and the rules and ways in which to use them. This week, they applied their theoretical knowledge in order to make a piece of work where illusion of space is expressed. They did this by using linear perspective with one, two or three vanishing points as the real artists and architects do.

I would also like to thank students and parents for contributing to the 'Pass a Paw' fundraiser that our Polish School organised. There is a large collection of food and supplies that will be much appreciated at the animal shelter. Thanks again for your participation.

Enjoy your weekend,

Joe Peck  
Head of Secondary  
BISC Wrocław

## Spotlight on Year 3 Otters

This week Year 3 Otters have travelled back in time once again! The time machine was set to the Stone Age which was roughly 3.4 million years ago when our ancestors, know as modern humans, lived in caves and used stones for tools and weapons.

Year 3 Otters helped to build a cave home, recreated some captivating cave art, made jewellery from the teeth of animals, dressed as cave men and women, created gummy bear fossils AND still had time to squeeze in a quick trip to Grodziec castle.

## Bake-A-Cake or Savoury Snack Dates:

Year 6 Jaguars	February 10, 2016
Year 7	March 2, 2016
Year 8	March 16, 2016
Year 9	April 13, 2016
Year 5 Ravens	April 27, 2016
Year 5 Kangaroos	May 11, 2016

### 1. Collection of egg cartons for our young gardeners:

We would like to ask parents to save the egg cartons which will be later collected at school for our primary students and their gardening needs. After the school holiday in February it will be time to seed the vegetables in indoor boxes so the plants are big enough for planting in the garden as soon as the weather is warm enough for outdoor gardening. Egg cartons can serve very well as such boxes for the windowsills. Therefore, store the egg cartons so we can equip 8 Primary School classes with their windowsill plant boxes.

### 2. Mufti and Crazy Hair Day:

On Friday, February 12, there is going to be the second Mufti Day. This time, to let also senior school students who don't wear uniforms anymore, to have fun as well, it will be MUFTI AND CRAZY HAIR DAY. As the previous time, the donation for the participation on Mufti and Crazy Hair Day will be 5 PLN per student. The rules stay the same – each student coming to school in casual wear and/or with a crazy hair style, gives his or her donation of 5 PLN to the Form Teacher in a special envelope. The money raised will cover the cost of pancakes (read lower) and add to the budget for future PTA activities including International Day. Get ready for fun and think about crazy hair styles to make. Parents and teachers, and whole staff are more than welcome to join with their hair styles. Let's see who can get it crazier.

### 3. Pancake Day

On Friday, February 12, PTA with the help of volunteers will provide free pancakes to all students. This event is planned to celebrate the last day before Lent. In different countries and cultures the day can vary, but generally it is Fat Tuesday. For the purpose of making the last day before school holiday special, also in the light of relaxed Mufti and Crazy Hair Day, we will twist the tradition and serve the pancakes on Friday.

### 4. Uniform Lost & Found. Please sign the uniforms!!!

In order to make the return of the lost uniform items easier and more efficient, please sign the uniforms and other clothes your children wear to school. Please sign them readable to everyone, not just you and your children.

# Lunch February 2016

Dear Parents,
