The only international language in the world is a child's cry.

Eglantyne Webb

Dear Parents,

We have all been shocked this week by the events at Manchester Arena where many children and their parents were killed in a terrorist attack following a Pop Concert. The targeting of children is particularly heinous and we express our sympathy and solidarity with the people of Manchester and the UK. Over the last decade the map of Europe bears the scars of many terrorist attacks in France, Germany, Belgium to name a few. Perhaps our European way of life needs to factor in this danger and the cost of an open society is that we can never be fully safe from such cowardly attacks.

Such attacks are designed to create terror and to divide communities. The initial response in Manchester, a multicultural city in North West England has been one of togetherness, peace and defiance.

On Monday many of our pupils from Year 2 upwards will depart for a week's learning

outside the classroom as they participate in Camp Radkow's activities. As mentioned before this is the first time that the schools in Kraków and Wrocław have gone on Green Camp together and I look forward to hearing of the developing friendships and links that are fostered from this opportunity.

Examinations continued this week with many secondary pupils sitting End of Year examinations while IGCSE and A level examinations were held in Dębowa. We also had a second examination centre inspection from our other Examination Board AQA. The schools sits external examinations under the auspices of Cambridge International Examinations (CIE) and the Assessment and Qualifications Alliance (AQA). I pleased to relate that this inspection was highly complimentary about our organisation of the examinations and we received a very positive report.

For the academic year 2017-2018 we will run the following classes. None of these will be amalgamated.

Year 1
Year 2
Year 3

Year 4
Two classes of Year 5
Year 6
Year 7
Year 8
Year 9
Year 10
Year 11
Year 12
Year 13

In Year 7 the pupils will be together as a tutor group each morning but we will be running two teaching groups in the majority of the subjects. In Year 8 there will be one tutor group and most lessons will now revert to one teaching group.

Following our recent Advisory Board Meeting our priority is to complete and share our school development plan with you. We first wish to present and share this with staff.

Wishing you all a sunny weekend

Best regards,
Tom McGrath
Head of School

News from Head of Secondary

It appears that every student in secondary took at least one exam this week. The vast majority of them took at least five exams, and they have worked very hard with their revision in order to prepare for them. The end-of-year exams for Year 7 to Year 10 went smoothly and now teachers are busy correcting the papers to have

them available to the students when they come back from Green Camp. Year 11 students completed exams in Business Studies and Science, while the Year 12 and Year 13 students completed Economics, German and Mathematics exams. We are only half-way through the exam season with four more weeks to go. Year 11 students will be happy to see the completion of their final GCSE exam for the year on June 7.

Enjoy your weekend,

Joe Peck
Head of Secondary
