**It is easier to build strong children
than to repair broken men.**

Frederick Douglass

Dear Parents,

The last few days have seemed very quiet around Akacjowa as the majority of pupils are away on Green Camp. Though low in numbers, there has been a very interesting week of lessons, games and excursions for the remainers and I thank Anna Witańska and her team for a well-planned range of activities. The pupils also received a small token, for Children's Day, a baseball cap in house colours to ward off the rays of the sun on this beautiful week. It has also been a week free of external examinations; this week coincides with the British School half-term but many A-level

pupils have been in studying and/or attending revision sessions.

I visited Camp Radków on the first day accompanying the campers to their destination and I had the opportunity to see the accommodation, canteen and facilities. We are very pleased at how the camp has gone to date. There has been a full programme of outdoor pursuits, trips, evening entertainment with the backdrop of beautiful mountains and lakes. The pupils also had opportunities to interact with our sister school pupils and we are looking forward to providing further opportunities for such integration.

The tradition of Children's Day in Poland dates back to the early 1950's when the communist authorities at that time introduced the celebration that had begun a few years earlier in

Moscow. It turned out to be a very big success and has an established place on the calendar. Growing up in Ireland I had no knowledge of the day or the date. However, I have come to appreciate it since residing in Poland and it is an occasion to pamper our most precious resources and to contemplate that many children in the world are less fortunate than those in our care. The UN goals set for child education, for the abolition of child labour and children in the military are far from complete and many children are deprived a childhood.

I wish you all a weekend of happiness with your children and there are many child-focused activities throughout the city.

Best regards,
Tom McGrath
Head of School

News from Head of Primary

It was a quiet but a busy week in the Primary School. While most of our students enjoyed Camp Radków, following the lead of Mr. Marcin, we had some adventures here, in Wrocław. On Wednesday we went to the Wild, Wild West (or Bielany, in this case) to meet the Native-American Indians and learn their customs. We sang, danced, played the drums, went through a maze and shot arrows. We enjoyed bison hunting and looking for the secret codes. There was also the face-painting, Indian football and much more!

On Thursday the upper Primary visited Humanitarium, a science museum and had a workshop on soap making. We celebrated the International Children's Day and pupils got house-coloured hats (okay, Lupus is rather orange, I know).

On top of that, each class spent a lot of time on reading, writing and mastering their maths skills. It was a time for quieter pupils to come out of their shell and take the floor. There was even homework :-)

On Friday we met for a very small, singing assembly, led by Mr. Maciek, who miraculously found the way back from Radków to BISC.

The Stars received their diplomas:

Foundation Bees and Bears – whole class :)

Year 1 Rabbits – Hee Seo and Jun Woo

Year 2 Dragonoxes – Charlie and My Tra

Year 4 Showls – Saket , Akshaya and Mihir

Year 5 Wolveyotes - All Wolveyotes

Wishing you a nice weekend and looking forward to seeing everyone safely back,

Anna Witańska
Head of Primary

News from Head of Secondary

The hallways were rather quiet for the secondary students who remained at school this week. Classes continued with combined year groups and a more relaxed atmosphere was enjoyed by all. A few pictures from Green Camp appeared on Schoology to ensure all of us here at school that the students were having a terrific time. I look forward to hearing about all of the events that took place at Green Camp on their return.

Enjoy your weekend,

Joe Peck
Head of Secondary

News from Polish School

W górę i w dół...

Głównie w tych dwóch kierunkach poruszali się uczniowie naszej szkoły przez ostatni tydzień. Nic dziwnego, skoro większość z nich spędziła ten czas na Zielonej Szkole w Radkowie.

Świeże powietrze, długie spacer, piękne widoki - wszyscy byliśmy oczarowani Skalnym Miastem,

Błędnymi Skałami i Szczelińcem - ale to nikogo nie dziwi, Góry Stołowe zachwycają każdego.

Nie każdy jednak, w ciągu niespełna pięciu dni, może dodatkowo tworzyć małe rękodzieła, uczyć się tańca, przedstawić swój talent (gratulacje dla Julki i Magdy :), pójść na dyskotekę, grać w liczne gry zespołowe, pojechać na trzygodzinną wycieczkę rowerową, wspinać się na skałki i pływać kajakiem... Żeby to wszystko naraz zrobić potrzeba niespożytej siły, którą mają tylko herosi, dzieci (lub ewentualnie ich nauczyciele :).

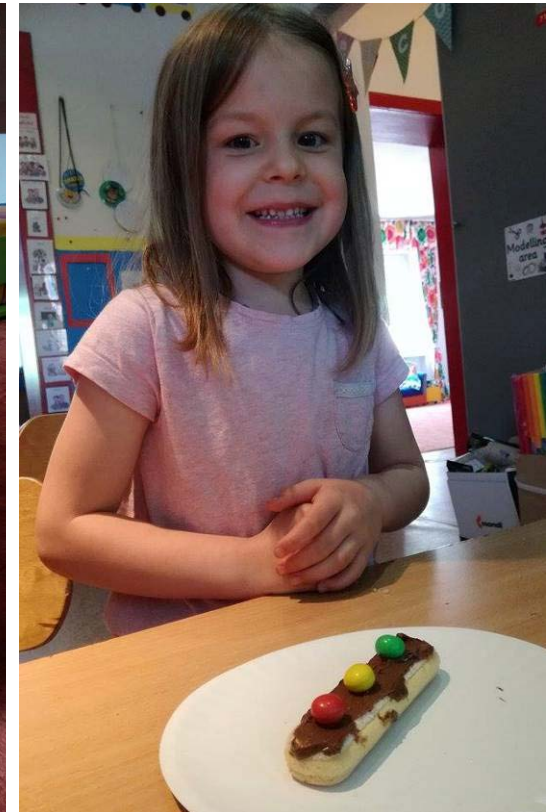

To był z pewnością niezapomniany czas. Dziękuję zatem wszystkim cudownym dzieciakom i nauczycielom, dzięki którym pozostaną w nas piękne wspomnienia.

Pozdrawiam serdecznie.
