Dear Parents,

It is time to bid farewell to another school year and personally to say goodbye to you all. It is also time to bid farewell to our graduating pupils in Year 13 and I wish them many adventures and fulfilment in their future studies. We also wish departing pupils and their families much happiness and success in their new postings or on their return to their home country. Please

WEEKLY SCHOOL INFORMATION, EVENTS AND NEWS

remember BISC Wroclaw fondly.

A number of wonderful teachers and teaching assistants depart this summer from BISC Wroclaw, some here for many years while others a shorter time. Whatever their time period, they have all performed the fundamental role of every educationalist and that is they have made a connection with their pupils and they have inspired the children in their care. There are students who have come to be ardent readers, a skill and passion that will stay with them for life. There are those who now are no longer afraid of Mathematics and are ready to take on new challenges. There are pupils who now understand how to work together, to cooperate, to celebrate difference and to be curious about the world. I know from conversations with pupils and parents that all these little miracles have happened this year and I thank our teaching staff for weaving this magic through their passion, their skills and their personality. I wish them continued success as teachers; it is a noble profession.

My time in Wroclaw has been short and I have nudged the school and its community in a certain direction and I am confident that the staff under Andy's guidance will continue this journey.

However I have gained much from my short sojourn in Silesia. First of all I have encountered a very special school that has qualities that I have not experienced in other schools where I have worked. The commitment to learning other languages is in the school's DNA and this multilingualism is to be cherished. The pupils here live out the vision of our school like no other school that I have worked in. There is a gentleness and kindness in pupil-pupil and pupil-teacher interactions that is unique in my time in teaching and pupils are given the space to be themselves. We also have the best dancers in the world of international schools.

You will stay in my heart and I will only have good things to say about BISC Wroclaw.

News from Head of Primary

End of the year – so surprisingly quickly. So, dear BISC pupils...

It's time to say, "Good-bye."
Our year has come to an end.

I've made more cherished
memories
And many more new friends.
I've watched the children learn
and grow

And change from day to day.
I hope that all the things we've done
Have helped in some small way.
So it's with happy memories
I send you out the door,
With great hope and expectations
For what next year holds in store.

Without much more rhyming, thank you,
Teachers, you have been great this year. Chapeau
bas. Thank you, Parents, for support and
understanding.

I wish you a lovely summer and I hope to you
soon...in September!

And, of course, please find below our Stars of the
Week – there is no newsletter without them!

Lato, lato, lato czeka... 🎵🎵

Wydaje się, że tak niedawno pisałam
swoją pierwszy artykuł do naszej gazetki,
że dopiero co witałam wszystkich
uczniów i całe grono pedagogiczne w
nowym roku szkolnym, a już znowu
musimy się rozstać na całe dwa miesiące.

To był ciekawy rok, pełen wyzwań i
wyjątkowych zdarzeń, wycieczek, wyjść
do kina i do teatru, różnych konkursów,
ale... bądźmy szczerzy... każdy z nas czekał na tę chwilę ;)

Dzień jedyny w swoim rodzaju. Radość, nerwowość,
podekscytowanie, poczucie dobrze spełnionego obowiązku, a w
nagrodę wielka, dwumiesięczna przygoda ;)

W tym roku najlepsze wyniki, ze **średnią 5,1**, osiągnęły **Magdalena
Sawicka i Kinga Jahl**.

Świadectwo z czerwonym paskiem otrzymały również: **Nika
Hurkacz, Julia Sawicka, Alexia Money-Kyrle i Julia Zarzecka**.

Moje wielkie gratulacje!

Nie ulega jednak wątpliwości, że nagroda należy się każdemu.
Każdy poświęcił na naukę dużo czasu i pracy i osiągnął sukces na
swoją miarę ;)

Na koniec chciałabym jeszcze gorąco podziękować wszystkim
nauczycielom i pracownikom szkoły. Bez Was wszystkie te sukcesy
nie byłyby możliwe ;)

Życzę bezpiecznych, najlepszych w świecie wakacji!

Spotlight on Year 3 Foxes

Here we are at the end of the school year. The months have sped by in a blur of activities and trips – not forgetting cooking, sports day, our garden and International Day. There was so much going on, it's a wonder we got any work done. However, somehow we managed to do a lot of that as well.

We have changed tremendously over the year. We've become more independent and rose to many challenges, including adapting a Roald Dahl story for the summer concert, which was great fun and very successful.

We've lost a few Foxes along the way and had to say goodbye to Jihyo at Christmas, GeonWoo last week and Honzik this week. Please stay in touch with us – we will miss you.

Have a great summer and we'll see you in the autumn.

Access to the School Pitch & Playground over the summer

We recognise that the playground and football pitch are very popular with pupils and parents and we wish to arrange some access for parents over the summer vacation. Please note that the ancillary staff have a range of tasks to complete over the summer and some will be taking vacation so we cannot have unlimited access. First of all, the football pitch and playground will not be available from June 30th until July 24th 2017. There is maintenance work on the playground equipment, there is the relocation of resources from Lipowa and there is work on the exterior of the Red Brick Building thus the playground and football pitch will be out of bounds from June 30th to July 23rd inclusive.

From Monday July 24th the playground will be accessible during the following times and dates:

Monday 24th/31st July. 7th/14th 21st/28th August **9am-12pm**

Wednesday 26th July. 2nd/9th/16th/23rd August **9am-12pm**

The facilities are not available at any other times.

For use of the facilities the following conditions must be observed:

- The facilities are for school pupils/prospective pupils and their families.
- All pupils must be accompanied by a responsible adult who takes full responsibility during the time on the premises and must actively supervise their child/ren.
- The school takes no responsibility for injury or accidents that occur during this time.
- Pupils and parents have no access to the school buildings; toilet facilities will be made available
- The school reserves the right to change the schedule or cancel a session.
- All parents must sign their children in and out when leaving. The timings above must be strictly observed.

For parents who wish to avail of the playground over the summer vacation period for the dates and times listed above they will need to complete and sign the disclaimer overleaf (signed by both parents).

Uniform Requirements

Dear Parents,

Here are the uniform requirements for 2017-2018 and we also include details of two options for purchase.

YEARS 1 to 11

Boys: shirt and tie/polo shirt, long-trousers and V-neck sweater. Summer term, as before with option to change to polo-shirt and to wear shorts if desired. Shoes to be black or dark-brown with grey socks if shorts worn. PE – white T-shirt, blue shorts, blue track-top and jog-pants with white sports socks. Coat – parents' choice.

Girls: blouse and tie/polo shirt, choice of skirt, trousers, pinafore, and cardigan. Summer term, as before with the option to change to summer-dress if desired. White socks should be worn with skirts and dresses. Shoes should be black or dark-brown (no high-heels or platforms). Coat – parents' choice.

SIXTH FORM – School uniform is optional. Dress from home should follow the dress code on appropriateness and modesty.

For parents who wish to purchase school uniform there are two options available.

1. In Poland:

The school uses the company Mark Mundurki from Gdańsk.

In order to obtain the school uniform, you need to enter into your computer the following link **www.mark-mundurki.pl** and then click on 'internet shop,' after which you enter our password **biscw** (you will note the option of languages on the right-hand side).

This company can arrange the polo shirt with school logo as well as the other parts of the uniform.

The main complaint from parents has been the quality and cost of items.

In Poland uniforms are rarely used in schools so it is difficult to find a good supplier.

2. Next Online

Many parents attest to the quality of the polo shirts from this supplier.

The code for the polo shirt is <http://www.next.co.uk/g75462s6>

Shorts trousers and skirts are also available on their catalogue.

The polo shirt comes without the logo but we are investigating having iron-on and stitch-on logos available at the school for parents.

We will also be ordering extra house badges and we are looking at a house T shirt that pupils would use for PE.

Appointment of New Year 5 Teacher

I am delighted to announce the appointment of Ms Zoe Brzezinski as the new Year 5 teacher from September 2017. Though possessing a famous Polish surname, Zoe is British and was born and reared in England; her surname comes from her grandfather who settled in the UK during the Second World War. Zoe is looking forward to coming to Poland and discovering her Polish roots.

Zoe completed a Bachelor of Arts in Primary Education at Leeds Trinity University in 2016 and has gained Qualified Teacher Status. She has experience of teaching across a number of year groups with significant time spent with Year 5. Zoe has a great passion for teaching English, History and Science. Zoe is looking forward to taking up her first overseas posting.

Appointment of New Year 1 Teacher

I am delighted to announce the appointment of Ms Polly Hall as the new Year 1 Teacher from September 2017. Based in Nottinghamshire in England, Polly completed a Bachelor of Arts in Modern Languages at the University of Nottingham taking French, Spanish and Russian. She then went on to train as a teacher completing her Post Graduate Certificate in Education (PGCE) at University of Nottingham with a particular focus on Language and Language learning. She has subsequently taught in primary schools in the Nottingham area. Polly has worked as a teacher in Russia as part of her degree and has had spells living in France and Argentina and is looking forward to the experience of Poland. Her strengths in understanding language development will be important at this age group and we look forward to welcoming Polly to BISC Wroclaw.

Secondary School - Changes

There are some new changes coming to our Secondary School next year that include staffing, course selections and a large Year 6 group entering Year 7. The following sections will help try to explain how these changes will be managed.

English as a Second Language

Y7 to Y10 EAL Support classes will be taught by Miss Ewa, Mr Alex and Mr Phil. Students needing EAL Support classes will need to choose this course rather than the other Modern Foreign Language courses (German, Spanish, French, or Polish), as the EAL course is timetabled at the same time as the other MFL courses.

Y10/11 IGCSE ESL courses will be taught by Mr Alex, while Mr Phil will be teaching the Y12/13 IELTS course.

Mr Phil will oversee the ESL programme at the secondary level and he will help guide the students into a successful transition from the ESL programme to the mainstream English programme that includes English as a First Language and English Literature.

Polish Programme Combined with the British Programme

Miss Magda Mrozowska and Mr Joe Peck have worked together to come up with a plan for our Polish pupils that blends the two programmes to offer a balanced timetable for our secondary pupils. In order to fit in all of the requirements within the normal school day, Polish pupils will be taken out of some of the British subjects to attend those same subjects in the Polish Programme.

MEN VI (Y7) pupils taken out of: Maths, ICT

MEN VII (Y7, Y8) pupils taken out of: Science, History, ICT

Gimnazjum II (Y9) pupils taken out of: Science, Geography, ICT

Gimnazjum II (Y10) pupils taken out of: Co-ordinated Science, Geography

Year 7 and Split Classes

The incoming Year 7 group will consist anywhere from 18 to 23 students in the 2017/18 school year. We feel that the classrooms can accommodate 16-17 pupils and we will consider splitting the groups if the number of pupils rises above this level. The incoming Year 7 group will be split according to how Y6 began the year, as the Yellow Wolverines and Blue Wolverines. New pupils to our school will more than likely be added to the Blue Wolverine group as they have slightly fewer pupils, but the goal is to have the two groups with equal number of pupils.

Secondary School - Changes

Individual timetables for students usually differ among the same year group in secondary. Therefore, Year 7 will not always be split in half throughout all subjects. This is partially due to the Polish Programme and the subjects that our Polish pupils are taken out from the British Programme in order to attend classes in the Polish Programme. Remember, more than 17 pupils are needed in order to consider a split. So for some subjects, the split groups are re-combined to meet the 17 pupil limit.

The following example shows how 20 Year 7 pupils would be split and re-combined depending on the subject on one particular day:

| | Class Hour 1 | Class Hour 2 | Class Hour 3 | Class Hour 4 | Class Hour 5 | Class Hour 6 | Class Hour 7 | Class Hour 8 |

As I will be taking over as Head of School at BISC Wrocław from August 2017, I would like to take this opportunity to introduce myself.

I came to live in Poland in August 1992, and in September 1995 I co-founded The British International School of Cracow, together with Wendy, Pawel and Wiesiek. I ran the Krakow school with Wendy for the first eleven years, and in 2006, based on an invitation from Wrocław City Council, the four of us co-founded the British International School of Wrocław. Wendy and I co-directed this new venture for the next two years, and from 2008 till 2010 I took over as Head of School. From 2011 to 2013 I ran BISC Łódź.

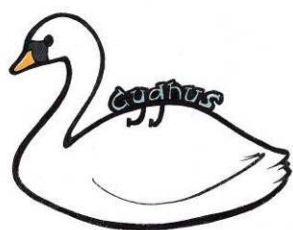

My teaching experience at a variety of schools in England, and as examination officer and teacher of music at an international school in Warsaw, provided me with a wealth of experience and a deep insight into education. In 2005 I was awarded the ECIS (European Council of International Schools) award for the 'Promotion of International Education.' Despite the occasional stresses and strains of being Head of School, I must say that I thoroughly enjoy the experience. Working with such wonderful students, teachers and parents from all corners of the globe is a privilege. The first and foremost responsibility of the Head is to create the right kind of educational and social environment in which everyone can benefit, above all the pupils.

When Tom announced that he was leaving, I immediately offered to take over as Head of School. I have wonderful memories of BISC Wrocław and I'm thoroughly looking forward to returning to my former post. Over the coming weeks I will be in Wrocław for a few days each week in order to ensure that there is a smooth transition and be available to answer any questions that parents might have.

I look forward to a warm and mutually beneficial cooperation with all of you next academic year.
