ISSUE 34 Friday 10th June

Dear Parents and visitors to our website,

We work and study in an international school, but internationally schooling means something different to everyone. Here are some facts you may find surprising:

1. Of all the schools in the world, the largest is in India. It is called the City Montessori School and it has over 32,000 students.
2. China is the country where kids get most homework. Teenagers in Shanghai do a staggering 14 hours a week at the kitchen table.
3. Children living in Pakistan have no legal right to a free education and compulsory education only runs between the ages of five and nine.
4. Summer holidays last from the middle of December to early March in Chile, giving

BRITISH INTERNATIONAL SCHOOL WROCLAW

NEWSLETTER

WEEKLY SCHOOL INFORMATION, EVENTS AND NEWS

children three months off.

powered.

5. The country with the shortest school year and the longest school day is France.

13. One of the subjects taught in Icelandic schools is knitting.

6. Children in Germany are given a special cone called a Schultüte full of pens, pencils, mini books, snacks and other presents that can only be opened when they start school.

14. The primary school is Phumachangtang, Tibet, is thought to be the highest school in the world at 5,373 metres above the sea.

Every school is unique in some way!!

7. Canadian kids are taught a lot of their lessons in both French and English.

This week here are some corrections which need to be made to last week's staffing list. You can find more details on page 5.

8. The children in Holland all start school on their fourth birthday so there's always someone new in class.

With regard the new academic year please be aware that there will be vacancies arising for next year's ADVISORY BOARD, so if you are interested please send a mail stating as such to head@bisc.wroclaw.pl

9. Even if it's a weekend or a holiday, Russian children always start school on 'Knowledge Day', which is 1st September.

Next we have a heartfelt goodbye message written by one of the most talented writers in the school THEO ROULLET on page 9.

10. The smallest school in the world is in Turin, Italy and has just one pupil.

Finally, on behalf of the PTA I remind you that THIS Saturday is INTERNATIONAL DAY with festivities starting at 12pm sharp.

11. Boys and girls are educated separately in Iran until they reach university. Even teachers must be of the same gender as the classes they teach.

Have a good weekend,

12. Because of the flooding problems faced by the country, Bangladesh has no fewer than 100 boat schools. Each one has internet access, a library and is solar

Best regards,
Wayne Billington
Head of School

News from Head of Primary

It is hard to believe that it is nearly the summer holiday. My class were talking this week about how fast time flies. It seems we only began the school year a minute ago...

The week was full of things to learn, revise and discover. Year 5 Ravens enjoyed their short trip to the bowling alley on Thursday. The teachers were busy adding their finishing touches to end-of-year reports, while students went through their last revisions and tests.

On Wednesday we had our Sports Day with some belated Children's Day gifts – luckily we managed to have some fun outdoor before the rain came.

As I am writing this, the Foundation children are probably practising for their little Concert on Friday. The Year 1-6 Concert is also approaching, as it is already next Wednesday (22nd June). Many thanks for all the help with the costumes!

On Friday we gathered for our weekly assembly. We said goodbye to some of our students who leave BISC for good this year. We wish them all the best in their new schools, wherever they might go! I hope they will have fond memories of their time spent in BISC and in Wrocław.

There were Stars of the Week too:

Foundation Bees – whole class
Foundation Turtles – Rustem
Year 1 Rabbits – Jakub
Year 2 Butterflies – Ji Hyo
Year 3 Otters – Julia
Year 3 Foxes – Whole class
Year 4 Shoebills – Deepali
Year 5 Kangaroos – Matteo
Year 5 Ravens – Sri
Year 6 Jaguars – Batu, Yunsol and David

Congratulations, Stars!

Wishing you a good weekend,

Anna Witańska
Head of Primary

News from Head of Secondary

As students and teachers begin the procedures that signal the end of the school year is nearing, I would like to take the time to thank the secondary student body for their terrific efforts this year. Students have worked very hard throughout the year and have always shown the bright side of life while doing so. Their enthusiasm for learning and their friendships with their peers have made each day a real treat for teachers. So thank you students for all that you have done this year. Your teachers really appreciate your efforts.

I would also like to thank our incoming Head of School, Mr. Tom McGrath, for his time during last week's visit. He had countless meetings with teachers and parents in order to become familiar with our school. He shared his own experiences with international schools with several of the staff, so I am looking forward to see how next year will take shape under his direction.

Enjoy your weekend,

Joe Peck
Head of Secondary

Dear Parents, Pupils and Staff,

I wish to register my thanks to all of you for the warm welcome and the excellent feedback that I received on my recent visit to BISC Wroclaw. This was an important fact-finding visit for me and I am now more prepared and have a greater understanding of the many qualities of the school and of the various areas of development.

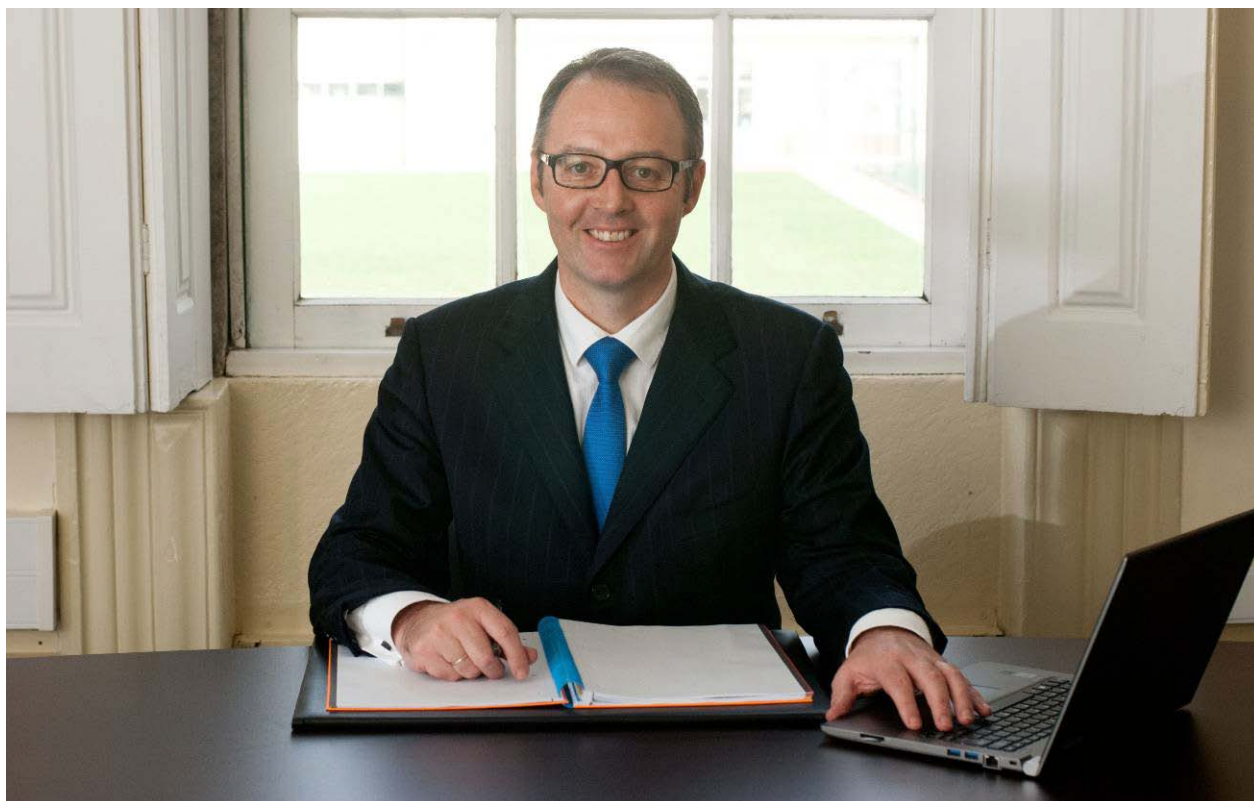

I had the opportunity to spend time with Wayne Billington and the senior leadership team. I attended a meeting of the Advisory Board. I attended primary and secondary assemblies and said a few words. I also met the PTA, addressed the whole staff, toured the facilities and met secretarial, administrative and ancillary staff. I had some interactions with parents and with pupils.

While it was a fleeting visit I made the following observations.

1. The school is a very international one and this quality is one to be developed and embraced.
2. There is a high level of goodwill towards the school from parents and pupils; this needs to be harnessed and developed.
3. There is a clear warm and family atmosphere and this strength of the school is one to be made more tangible through a more developed pastoral and wellness programme.
4. There is a great commitment among staff for the school to develop and thrive and I am really looking forward to leading this team.

The head of school is very much like the conductor of an orchestra with many disparate elements to arrange and understand to achieve harmony. I now have a greater understanding of the disparate elements. I know look forward to assembling them to produce a very special sound.

Tom McGrath

Spotlight on Year 2 Butterflies

We have been doing lots of exciting things recently. On Wednesday we enjoyed the sport's day in which we competed against different house teams. Everybody wanted to win but we tried to play fair and keep the positive sport spirit.

On our final trip this year we went to Castle Ksiaz. We saw how people lived in the past and found out about princess Daisy who was an English lady of great beauty and lived there. We do recommend you to visit this castle and if you would like to find out more, we have some information leaflets available in our class.

After visiting the castle we went to stables where we could learn about a blacksmith's profession and actually stroke the horses! We also went for a ride with a horse carriage but definitely the biggest attraction of this trip was the camp fire party ☺

Our science topic is plants so we have been making lots of projects and designs related to it. We made 'grass heads' and currently we have been working on a small world jungle design.

Have a great weekend and we are looking forward to see you tomorrow on the International Day!

Ms. Ewelina, Ms. Kasia and the Butterflies

Visitors to Britain report that the weather is a major topic of conversation. The Britishness of BISC has clearly taken a boost then as the school now has a weather station to talk about.

Back in February 2015 I saw an announcement that the Raspberry Pi Foundation had a grant from the multinational software company Oracle to build weather stations to be given away to schools. Often, applying for such free equipment and materials is a waste of time as so many schools apply and we are generally refused anyway because only schools in the UK are considered. I still decided to make the effort, as I usually do.

In September 2015 I heard that we'd been lucky. Amazingly they didn't even ask us to pay the additional postage as we are overseas, which has happened before. A Raspberry Pi computer and all the sensors needed for a weather station would be sent to us at no cost. Initially we were told to expect our weather station in October, but month by month the explanations and excuses and apologies followed and I came to wonder whether it would ever really happen.

Finally in April of this year Mr. Peck came to ask me if I had ordered a weather station. Clearly our present had arrived. Mr Andy Harris, temporarily reprising his role as Headteacher, agreed that the school would buy the cables and router needed to connect the weather station to the network. So we've had an interesting project to end the year.

Pupils have had to screw all the pieces together and checked that the sensors were working properly before the equipment went onto the roof. It was good that they did check, as the first classes found problems with the rain gauge which were easier to correct on terra firma than they would have been on the roof. It was also good because it gave pupils the chance to understand how the sensors and interfaces work and use their knowledge of the Python programming language.

There have also been trips onto the roof to find and measure a suitable position. Our ancillary staff have helped us by drilling holes in the brickwork to anchor everything and now finally the system is working. The system measures:

- Rainfall
- Wind speed
- Wind gust speed
- Wind direction
- Ambient temperature
- Soil temperature
- Barometric pressure
- Relative humidity
- Air Quality

Every 10 minutes the values are put into an on board database. Each hour all the data is uploaded to a database in the cloud, which is provided for all the schools by Oracle.

If you stand on the school playing field and look at the Small Villa, the anemometer and wind vane are clearly visible on the roof. The weather station joins a lightning detection and tracking system which has been on the roof for many years. The weather station is between the lightning system's GPS sensor on one corner of the roof and its lightning antenna on the other. BISC hosts the lightning system for TOA Systems and it sends data to their headquarters in Florida in the USA.

Ian Carr-de Avelon

Theo's Parting Words

Honestly, on my first day of school here, I wasn't aware that the next 5 years of my life would be so awesome. Not awesome like party, but awesome like... school!!! I didn't know some amazing stuff were about to happen, that I was going to make new friends, new best friends. I couldn't really speak English but I was lucky to have really good teachers around me who made me learn fast and well.

I quickly got used to this school because everyone were (and still are) so welcoming and everyone looked too happy to learn new things everyday (even in maths class), which was really a huge change compared to what I had experienced in other schools earlier in my life. And that "family" feeling you get when you come to this school is really the clue to why I love it so much. It's just amazing how I don't even feel like going back home after school, because for me, this school is kind of my home!

The ONLY bad thing here is that even though you would want to, you can't stay here forever. During the time I spent here I saw lots of people come and go and it's just really sad to see your best friends go. But at the same time new people come so it's okay after all, but I think the worst of it is when it's your turn to go and you have to leave it all behind, all your friends and all the teachers, playing afterschool, all those awesome camps and trips, all those amazing stuff you will never forget about.

And the problem is now, it's my turn to go. But before saying goodbye, I would like to thank some people that really changed how I see school, people who helped me through some difficult times and who showed me the way to be successful in next years.

Firstly, I want to thank Ms. Iwona simply because she taught me English: thanks to her, I can write this. And also because she is a very nice teacher and I was not scared to read those Stage 1,2,3.. books out loud and she gave us candy. ;)

And I also would like to thank Mrs. Schier because she was very nice towards me even when I wasn't behaving that well and because she is just a really good teacher in general as she taught me Literacy which helped me win the Torrance Legacy Creative Writing Award in Year 6.

Finally, I want to thank everyone here, like Mr. Sławek for never giving me all my detentions I deserve, Mr. Peck for his funny jokes in class, Mr. Alex for always playing football with us, Mr. Kuba for all the band practices we had, Mr. Graham for organising the concerts, etc. (very long list of people!!)

Anyways, I hope more awesome things will happen in this school and that I will be able to come back one day, or at least visit from time to time. :)

Goodbye Everyone,
Theo Roullet

10 YEARS
BISC WROCŁAW

Dear Parents and students,

I'm pleased to announce the 10th Anniversary Book is now on sale. The book contains a history of our school with an insight into the campus' past and an overview of each of the past ten years; recounting many of the faces and events. In addition, the book has been combined with this year's yearbook.

As there have already been enquiries from former students and parents who are now spread across the globe, the book is available to purchase from a global distributor with a variety of shipping options.

To order your copy, go to www.lulu.com and search for "BISC Wrocław", or use the direct link below:

<http://www.lulu.com/shop/bisc-wroclaw/bisc-wroclaw-10th-anniversary-book/paperback/product-22752624.html>

The book is 148 pages in length and costs approximately 140zł, depending on which currency you choose. Please note that any orders should be followed up directly with the distributor, as the school is not able to review specific details.

I hope you enjoy the book, whether you are a current or former student, parent or teacher who has been a part of the past 10 years of BISC Wrocław's history.

Kind regards,

Graham Lewis
Head's Assistant for Strategic Planning

pta@bisc.wroclaw.pl

1. International Day 2016

When – Saturday, June 18

Start – 12:00, exactly noon. Please remember that the International Day will start with the parade – children walking behind their national flags. Therefore, please be at school exactly for the start at 12:00.

Dress – children and according to wish also teachers are invited to wear national costumes or some wear in national colors. In case your children will wear a national costume or special clothes you don't want to be spoiled during play, prepare casual clothes for children to change after the opening ceremony.

Food – Every family is expected to bring a dish, plate, pot or bowl of food typical to their home country to place on common table and share with everybody. Dishes, small bowls, napkins and cutlery will be provided.

Raffle – additional raffle tickets will be available for sale on the day of event as well.

Thank you – we are very thankful to all teachers cooperating with us in preparation of the International Day. We thank also all the volunteers who have helped us with preparation so far and who are going to help on the day of the event. Finally, but not the least, we thank you for all the generous donations for the raffle prizes. All your help is very much appreciated.

2. Costume Donations:

PTA have been informing parents for long time about the plans of creating a costume cupboard at school. From September PTA should receive it's own room and furniture to make the costume cupboard a reality.

Many of you are preparing costumes for end-of-the-year concert. If you do not wish to store them, PTA will provide a box where you can drop off your child's costume as a donation for the costume cupboard. PTA will take care of cleaning, cataloguing and finally storing the costumes for future use in assemblies and other concerts.

3. Donations of uniforms and other items for future Bazaars:

As many families are getting ready to leave Poland during the upcoming summer and are going to clean the cupboards, PTA would like to offer you to donate before leaving (1) uniforms, (2) valuable clothes like ski wear or similar which realistically have a chance to sell on Bazaars, (3) books, (4) toys and puzzles, (5) costumes. You can leave these items packed and marked as donation on the upper floor of small Villa on the usual place as before Bazaars.

4. LOST & FOUND at the end of the academic year:

Please still check the Lost&Found corner for the things your children have lost. We'll try to make the boxes easily available for checking also on International Day, when many parents will be present. Any items left in Lost&Found boxes by Tuesday, June 23, will be considered abandoned and donated for charity and PTA future bazaars. **On Thursday, June 23, the Lost&Found boxes will be emptied and items will not be available for collection after this point**

Lunch Menu June 2016

PRICE - 10 PLN per meal

Every day you can choose between 2 available meals.

06.06	07.06	08.06	09.06	10.06
Devolay with mashed potatoes and salad	Meat stew with dumplings and salad	Penne with vegetables in cream sauce	Chicken burger with fries	Toastie with spinach , tomato and mozzarella
Pancakes with spinach, feta cheese and dried tomatoes	Borsch + croquet with broccoli	Breaded chicken cutlet + salad + potatoes/ rice or French fries	Camembert in cranberry-horseradish sauce	Sesame-crusted chicken cutlet + salad + baked potatoes/ rice or French fries
13.06	14.06	15.06	16.06	17.06
Penne with vegetables in cream sauce	Borscht + croquet with cheese and champignons	Cod + salad+ potatoes/ rice or French fries	Meatballs with potatoes and salad	Pancakes with spinach, feta cheese and dried tomatoes
Spicy Mexican pancakes	Risotto with chicken& veggies	Spaghetti bolognese	Potato dumplings in mushroom sauce with salads	Sesame chicken cutlet+ salad +baked potatoes/ rice or French fries
20.06	21.06	22.06	23.06	24.06
Devolay with mashed potatoes and salad	Meat stew with dumplings and salad	Hash browns with vegetable stew	Chicken burger with fries	End of the Academic Year 2015 / 2016
Toastie with with spinach , tomato and mozzarella	Pancakes with chocolate& strawberries	Breaded chicken cutlet + salad + potatoes/ rice or French fries	Penne with vegetables in cream sauce	

If you prefer there is also a possibility to exchange something from the menu for :

1. Tomato soup with rice+ bread roll with cheese/salami
2. Sour rye soup with egg + bread roll with cheese/salami
3. Borscht + bread roll with cheese/salami

Of course we can introduce something new according to your preferences. I am waiting for your suggestions.

AROUND BISC WROCLAW

A brief introduction to parents at BISC Wroclaw
