THEME: SPIRIT WEEK next week at BISC – Wroclaw!

Dear Parents of Secondary Students,

This week the secondary teachers decided to start the year with a week called **“Spirit Week!”**

The purpose of this special week is to remind students that doing fun things together, between years and in their Houses, is good for everyone! It helps all of the students to get to know one another better, it gives them a chance to do something different in their Forms together, and it makes them excited about the New School Year 2022-2023!

What will they DO? Students are asked **to dress up every day!** That means they **do not wear their school uniforms next week!** Each day has a different theme, and each day students will be together for an activity for one lesson. Below is the PLAN and schedule for SPIRIT WEEK:

Monday: Career Day - Students wear something representative of a career they may want to do! All Year 12/13 students will present for one minute something about their dream career!

Tuesday: Character Day – Students wear a costume representing a favourite character from a movie, novel, script, or game. One or two students from each year group will read an excerpt!

Wednesday: Cultural FOOD Day – Students wear clothes representing the country from which the food they will bring comes. They will only share the food with their form classmates!

Thursday: HOUSE Colour Day (Sports Day!) – Students wear the colour of their House, and compete in races and games between the Houses for two periods on Thursday afternoon! (Wearing a school uniform does NOT earn them any House points!)

Friday: Favourite Artist Day – Students dress up like their favourite actor, singer, painter, musician, etc. One representative or group of students from each Year Group will present a song, dance, etc.

Parents! Please do not buy any special costumes or props! Students must dress up in simple things that make them show their school spirit – not be a burden on their parents. For the Cultural Food Day, only one plate of food is sufficient, as all students will be bringing and sharing.

We thank you for your support! Please know that students earn one house point every time they come to school with an appropriate costume! Please remind your child of Spirit Week each morning – and support them in the joy of participating with their classmates all week!

Thank you!

Spirit Week TEAM
